*Spacious teak deck*

*Large cockpit area*

*Romantic dining*

A first-person perspective from the bow of a sailboat, looking forward along the centerline. The deck is made of light-colored teak planking. There are four rectangular hatch covers: two large ones in the immediate foreground and two smaller ones further back. Blue ropes run along the left side of the deck. The boat is on a deep blue sea with small waves. In the background, a green, hilly coastline with some buildings is visible under a cloudy sky.
